

THE SUNRISE SOCIETY KIPP:MIAMI

Your generosity fuels our future.

KIPP Miami gratefully acknowledges the outstanding support of leadership donors through membership in **The Sunrise Society**, named for our founding school, KIPP Sunrise Academy.

Sunrise Society members represent incredible generosity. They understand that their gifts are an investment in sustaining high achieving and inspiring community schools that battle inequity, and they choose to prioritize KIPP Miami in their philanthropy. Their support helps prepare students to be bold, independent thinkers—driven to learn, explore, and shape the world as leaders and doers.

Sunrise Society members are true collaborators in our enterprise and enjoy a special relationship with each other and with the leaders and faculty of our schools. Through their giving they help bring our schools' most important goals within reach and, through their example, they inspire others to support KIPP Miami.
